

## **Software License Agreement of Galltec Mess- und Regeltechnik GmbH (“Galltec”)**

Please read this License Agreement carefully before using the “Galltec USB Configuration Software” (“Software”)

### **ACKNOWLEDGEMENT**

By downloading, installing, using, transmitting, distributing or copying the Software you acknowledge that you have read this License Agreement, understand it, and agree to be bound by its terms and conditions. You will not have any proprietary rights in and to the Software. You acknowledge and agree that Galltec retains all copyrights and other proprietary rights in and to the Software. You also agree that unless you have a different License Agreement signed by Galltec your use of the Software indicates your acceptance of this License Agreement. If you do not agree to any of the terms and conditions of this License Agreement, then do not download, install, use, transmit, distribute or copy the Software respectively delete the Software from all storage media.

### **LICENSE**

You are granted a non-exclusive license to use the Software in conjunction with measurement devices of Galltec equipped with an USB interface. The Software is available on [www.galltec-mela.com/downloads](http://www.galltec-mela.com/downloads).

You may not modify, adapt, translate, decompile, disassemble or reverse engineer the Software or create derivative works based upon the Software.

### **DISCLAIMER OF WARRANTY**

Galltec expressly disclaims any warranty for the Software. The Software and the accompanying files are provided “as is”, without any warranty of any kind, weather expressed, or implied.

In no event shall Galltec or its suppliers be liable for any direct, consequential, incidental or indirect damages resulting of the use of or inability to use the Software even if Galltec has been advised of the possibility of such damages.

You acknowledge and agree that you are responsible for taking steps to protect against computer system failures, including providing back-up or shutdown mechanisms. Because each computer system is customized you are ultimately responsible for verifying and validating the suitability of the Software for your intended use.

### **GOVERNING LAW**

This License Agreement shall be governed by the laws of Germany. If any provision of this License Agreement is deemed by a competent court or other authority to be unlawful, void, invalid or unenforceable, such provision shall be severed from this License Agreement and the remaining terms, conditions and provisions shall remain in full force. In the event of the severance of any provision of this License Agreement, such provision shall be substituted by a valid or enforceable provision which achieves to the greatest extent possible the economic, legal and commercial objectives of the severed provision.
